SNOW DESK INFORMATION

BRMB F.M. (96.4) provides an emergency service for schools during severe weather conditions. Only schools which are closed are broadcast. Please do not phone the radio station or the school. Beacon Radio also broadcasts information, 97.2 F.M.

VACANCY - Foundation Parent Governor

There is currently a vacancy for a Foundation Governor on the Governing Body. If you are interested in further details please contact the school office.

SCHOOL SECURITY

In the interest of school security may I please remind you to close the wooden gate by the school kitchen when leaving the playground.

PARKING

It is very disturbing to see parents stopping their cars in the middle of Park Road, children getting out on either side of the car, running across the road and down the school drive.

May I ask parents to be more road safety conscious, something that we try to encourage within school.

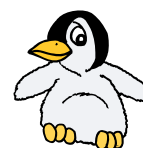

ADMISSIONS

Admissions to the Reception class this year are being organised by the L.E.A. This has led to confusion about provision and the number of places offered.

If, when you receive a letter offering you a place at a school you are unhappy with or require any further information please contact Mrs Foley.

QUIZ QUESTION

Who is the voice of the adult penguin Mumble in the film 'Happy Feet'?

Answer to the Quiz question is: _____

RE-CYCLING

On Thursday 1 March 'Cycler the Rapping Robot' will be here for our assembly.

We are encouraging everyone to be more conscious about recycling around school. There are baskets in each classroom for paper waste and fruit caddies for banana skins, etc.

The fruit waste is collected daily and emptied in the compost bin at the bottom of the playground. Eventually we hope to use this compost around the school grounds.

If you have any other recycling suggestions please let us know.

CONGRATULATIONS

Well done to Mrs McIlroy who recently graduated from Exeter University with an M.Ed. Degree.
