Parents Evening – Tuesday 14th September – 5.30pm

Dear parents and carers,

As previously stated in our Return to School letter on 1st September, we will be holding a short 'Meet the Teacher' Parents Evening after school on Tuesday 14th September.

This meeting will take place in your children's classroom and your child's class teacher will talk you through some of the key information that you need to know for the year ahead. This will include information on end of year expectations, curriculum topics, homework, uniform/P.E kit and a chance to ask questions.

Children will not be able to attend and we ask that only one parent attends in each classroom. We also request that all parents in attendance wear a mask while inside the school building and during their time in the classroom. All of the information discussed will be included in a short presentation which will also be shared with all parents via email.

If you are unable to attend for any reason, or have multiple children and would only be able to attend one classroom session, we will ensure that all of the information and a copy of the presentation is still shared with you on the night of the Parents Evening.

Please also remember that with the easing of restrictions, you are now once again welcome to speak to your child's class teacher after school if you have any specific questions to ask or matters to discuss. An appointment to do this can be made by speaking to your child's teacher directly or by emailing the class email address. The email addresses for each class are as follows:
