Dear Parents,

15th January 2020

Year 5 & 6 Residential Visit – Monday 7th – Friday 11th September 2020

If your child is currently in **Year 4** or **Year 5** they will have the opportunity to take part in a residential visit during the Autumn term when they are in Year 5 and Year 6 (Monday 7th – Friday 11th September 2020).

A residential visit gives children the chance to experience a variety of educational activities and combines the power and magic of the natural environment with the challenge of adventurous outdoor pursuits. I am a passionate believer that every child should have the opportunity to enjoy this wonderful experience during their time at primary school and hope that as many of our children as possible will be able to join us on our visit next year.

This year we will collectively be visiting **Plas Gwynant Outdoor Education Centre** in Snowdonia, meaning the whole centre will be shared by our Year 5 and Year 6 classes.

The cost of the trip will be **£255** which includes coach travel, accommodation, meals, educational materials and all activities (For pupils in receipt of Pupil Premium, there is a cost of just £25.00 - If you are unsure if this applies to your child please speak to Mr Boodell or the Office staff). If you do not wish your child to take part in the visit, please inform the school office as soon as possible so we are able to confirm numbers with the centre.

The next step is to fill in the attached 'Expression of Interest' form to give us an idea of numbers, and then secure your child's place by logging into School Gateway, giving consent and paying the deposit of **£25** by **Friday 31st January**.

Best wishes,

Mr T Boodell
Head of School
