

ST GREGORY'S
CATHOLIC PRIMARY SCHOOL

Tuesday 20th July 2021

Dear parents and carers,

As this most turbulent of years draws to a close, I write to say a huge thank you for your support and understanding throughout. The way that your children, and you as parents, have worked with us in supporting our safety procedures and adapted timetables, sometimes at a moments notice, has made the challenges that we have faced easier to overcome.

Equally, the resilience, perseverance and adaptability that you and your children have shown when faced with lockdowns and bubble closures over the course of the year has been a real credit to you all.

We hope and pray for a better year ahead and I will be in touch towards the end of the summer holidays to let you know in good time about what that start of term will look like. We would hope to be able to dispense with staggered start and end times in September but some of the other aspects may remain in place. PE Kits on PE days for example will be something that we continue with, certainly during the Autumn term.

Your children's responses to the challenges of this year have been nothing short of amazing and they have certainly earned a well-deserved break over the summer holidays. I hope that you are all able to enjoy some happy times with your friends and families over the coming weeks and we will look forward to seeing the children back in school on Monday 6th September.

Best wishes and God bless,

Mr T Boodell
Principal
