

Year 1

Autumn Term 1 2020

English

As Writers we will work on our pencil grip and letter formation. We will also look at writing sentences, using capital letters and full-stops. In addition, we will be looking at all the letter names and understand the difference between capital and lower-case letters

As Readers we will read stories from familiar settings. We will be encouraged to use our phonics to learn how to read words with digraphs in them.

Maths

As Mathematicians we will read and write numbers, and count forwards and backwards within 100. Understanding more than, less than, equal to etc. Add and subtract 1 and 2-digit numbers to 20. Solve number problems. To understand simple maths symbols (+, -, =). To know and use rapidly, number bonds to 10. To recognise rectangles, squares, circles, triangles, cuboids, pyramids and spheres.

Science

As Scientists we will be identifying and naming body sense organs. Looking at changes as humans and other animals get older. Looking at bones in our bodies and how they work. We will discuss how to live a healthy lifestyle.

Computing

As Computer experts we are logging on to computers and looking at the importance of algorithms. We will look at staying safe online.

All about me and my school

Italian

As Linguists we will continue to learn new phrases to help us talk about ourselves. We will be taught the days of the week and months of the year and link this to our previous learning on number and counting.

Music:

As Musicians we will be exploring sounds through song, percussion & listening. We will also look at using our body parts to make songs.

PE

As Athletes we will focus on different methods of movement e.g. running, walking, skipping etc. As gymnasts we will look at ways we can balance using our bodies.

RE

As Theologians we will be looking at the creation story and how we can care for our world. We will also look at important prayers of our faith. In addition, we will learn about different faiths and their customs.

History

As Historians we will be looking at the history of our school. We will also be exploring our local area and its past.

Geography

As Geographers we will be looking at our surroundings. We will be walking around our area and trying to locate key places in and around our school.

Design Technology

As Designers we will be looking at how to prepare fruits. We will also make our own fruit kebabs.

Art & Design

As Artists we will be creating our own self-portrait based on Vincent Van Gogh's self-portrait. We will discuss the importance of perspective.

Challenge

Enterprise- Selling our fruit kebabs

Cognition

Who are the people in our community?

Communication

To talk about our family and ourselves.

Creativity

Design a family crest.

Community

Look at our community and what we can do to help.
