Curriculum intent

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the '*first educators*' of their children on these matters; ultimately, *you confer on us the right to co-educate your children with you.*

Curriculum implementation

Following research, and with support and guidance from the diocese we decided to implement the *Life to the Full programme by Ten:Ten.*

Ten:Ten is an award-winning Catholic educational organisation that is well respected and very experienced in this field of work. Life to the Full has been approved by our diocese. Furthermore, Ten:Ten have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the new statutory curriculum. We are confident that this programme is a very good fit for our school.

Through their programme, Ten:Ten understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built-in resources available on the Parent Portal which will not only keep you informed about what is being taught in school but will also give you the opportunity to engage your children in discussion, activity and prayer.

The core themes for each year group are:

Families and people who care for me

Caring friendships

Respectful relationships

Online relationships

Being Safe - This includes the concept of personal privacy

All RSE teaching takes place in a safe learning environment and is underpinned by our school ethos and values. A variety of opportunities will be provided for pupils to ask questions to further their understanding, and to find out more about what affects them personally. The Ten:Ten RSE scheme of learning will run alongside the RE curriculum.

The Ten:Ten scheme is Split into three modules:

Created and Loved by God

Created to Love Others

Created to Live in Community

Curriculum impact

- To support individual pupils' personal development
- To develop age-appropriate understanding of healthy relationships through appropriate relationships and sex education
- Enable pupils to recognise online and offline risks to their wellbeing,
- Enable pupils to recognise the dangers of inappropriate use of mobile technology and social media
