Commitment to Equality:

We are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have

developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.

This Behaviour Policy has been approved and adopted by St Gregory's Catholic Primary School on 12th February 2025 and will be reviewed in February 2026.

Signed by the Chair of the Local Governing Body for St Gregory's Catholic Primary School:

Shauna Byrne

Mrs S.Byrne

Kevin Brown

Mr K.Brown

All children have the right to a safe and secure environment. We begin from the Christian idea that all people are to be given respect and we wish to reflect Jesus' command, "Love one another as I have loved you." From this, there are three school rules:

All members of the school community are entitled to work and learn in an environment free from:

- Misbehaviour whether this is persistent, defiant or low-level disruption.
- Bullying, child on child abuse of any sort, assault, physical, racist, homophobic, sexist or verbal abuse.
- Unacceptable language.
- People carrying offensive weapons or illegal substances.
- People showing inappropriate materials, e.g. violent, age-inappropriate or sexual.
- Accidental or deliberate breaches of school rules.

As a community we are working together to provide a framework of expectations for appropriate behaviour and achievement through the use of our key rules to be the best that we can be.

We expect:

- All pupils to show respect and courtesy towards teachers and other staff and towards each other.
- Parents to work in partnership with the school to provide a collaborative, supportive approach to encouraging positive behaviour.

At St Gregory's Catholic Primary School, both 'learning' and 'conduct' behaviours are considered as vital for all pupils to succeed personally. Learning behaviours remind us how we learn best and help those around us to learn best. Conduct behaviours remind us how to respect the dignity of the human person (CST) and help us to understand the basis of rule of law (British Values).

What does this look like for pupils?

Learning Behaviors:

I take pride in doing my best work
I am resilient I make best use of my time
I am helpful I listen to advice
I challenge myself
I am an active learner, taking parts in all elements of learning

Conduct Behaviors:

I listen and respect others' opinions
I give my own opinion in a kind and thoughtful way
I treat others how I would like to be treated
I look out for those who might need help
I move safely around school
I am considerate of my own safety
I am considerate of the safety of others

Involvement of External Agencies

Where pupils' needs cannot be fully met by using the resources available within the school, the services of outside agencies will be commissioned in order to address the needs. The SENDCO will take the lead on commissioning services, but class teachers and school leaders will also make referrals as required.

At St Gregory's we have worked together to develop simple guidelines about behaviour, sanctions, rewards and when necessary, sanctions to enable everyone to work and play successfully, safely and happily.

Rewarding good behaviour and achievements

- Positive praise and recognition
- Class Dojos- Each time a child reaches a Dojo Milestone they receive a reward (stickers and a certificate)
- Parents are informed of examples of exemplary behaviour
- Home-School rewards in Nursery and Reception
- Children are sent to a senior or a previous or future teacher for praise and recognition
- A progressive set of rewards and certificates for children
- Platinum awards given out in assembly to highlight pupils who are making the right choices

Dealing with disruptive classroom behaviour

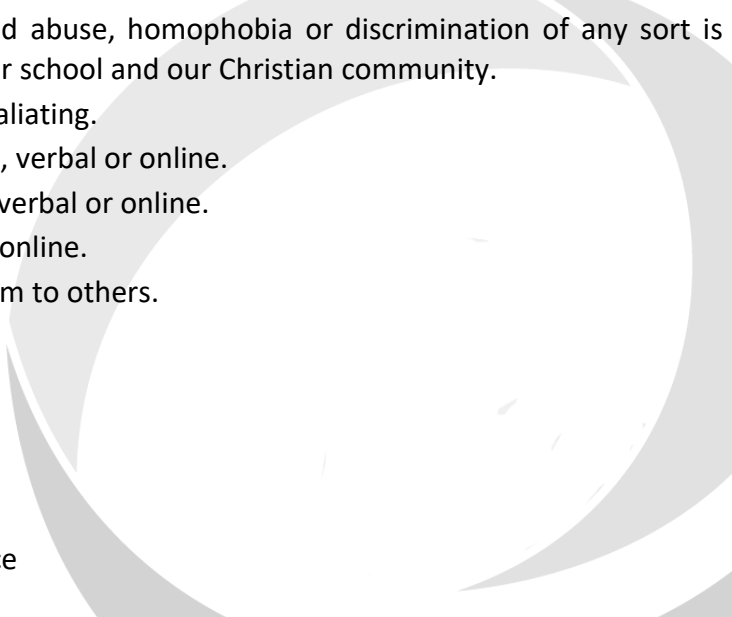

Children will not be sanctioned en masse. We believe that those who are being disruptive should be identified and sanctioned.

1. Non-verbal prompt / warning
2. Verbal warning – positive reinforcement of expectations
3. Second warning – Minutes lost from break or lunchtime (may be earned back via an instant change in behaviour – at staff's discretion)
4. Third and final warning – Minutes again lost from break or lunchtime (may be earned back via an instant change in behaviour – at staff's discretion)
5. If the behaviour continues the child will be sent to work in another year group. The child will then be referred to a member of the Senior Leadership Team for a restorative conversation.
6. If a pattern of behaviour occurs, parents will be invited into school to discuss their child's behaviour. Further sanctions could include:
 - Being isolated from their class for between 1 – 5 days in school
 - Being placed on a school behaviour report card to monitor behaviour and keep parents informed about improvements
 - Receiving a fixed term exclusion
 - Receiving a permanent exclusion

In addition, the child may receive support to rectify their behaviour, including:

- Being placed on a behaviour diary
- Nurture group work with SENDCO or member of staff
- Referral to Reflexions MHST
- In class support
- Additional out of class support from SENDCO

Examples of unacceptable behaviour in school

- Any form of racism, child on child abuse, homophobia or discrimination of any sort is totally contrary to the ethos of our school and our Christian community.
 - Fighting- whether initiating or retaliating.
 - Prejudice-based bullying- physical, verbal or online.
 - Discriminatory bullying- physical, verbal or online.
 - Cyberbullying- physical, verbal or online.
 - Boisterous play- which causes harm to others.
 - Stealing
 - Offensive language
 - Vandalism
 - Disruptive classroom behaviour
 - Disruptive playground behaviour
 - Deliberate disobedience- insolence
 - Endangering others in any way
- 

- Making false claims against other pupils, staff or members of the school community

Any form of child-on-child abuse:

At St Gregory's, we uphold a zero-tolerance to any form of abuse. We uphold a whole school approach to preventing or dealing with child-on-child abuse of any kind. Pupils who feel that they have been a victim of any form of unwanted behavior can discuss this with a trusted adult in school. The adult will openly listen to the child and will give the child full attention, ensuring that they give the child reassurance that they have done the right thing by speaking to an adult. The incident will be written and recorded in the child's own words on our Safeguard system. Depending on the disclosure, the member of staff will discuss the disclosure with the relevant staff, including the SLT and the DSL/DDSL.

Minor incidents should be dealt with by the class teacher and / or other staff present at the time of the incident. Persistent or serious behaviour incidents (including bullying) must be recorded and passed on to the school's senior leadership team via Safeguard Software as an incident:

- A behaviour incident log will be completed using Safeguard
- Parents/carers will be contacted
- Relevant school staff will work closely with the child and parents to address and resolve the inappropriate behaviour. If necessary, an 'Individual Behaviour Plan' will be formed and this will involve specific rewards and sanctions, as governed by the plan.
- Exclusions may follow if bad behaviour continues (see 'Exclusions' policy)

It is important that the child is supported to understand how their behaviour has impacted on others and the feelings that are involved. The child will be given the chance to change their behaviour and supported to do so.

Confiscation and searches:

Confiscation, searches, screening Searching, screening and confiscation is conducted in line with the DfE's Searching, screening and confiscation in schools - GOV.UK (www.gov.uk)

Confiscation:

Any prohibited items found in a pupil's possession as a result of a search will be confiscated.

These items will not be returned to the pupil. We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching a pupil

- Searches will only be carried out by a member of staff who has been authorised to do so by the Principal such as DSLs, or by the Principal themselves.

- Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.
- An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if: The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; and in the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; or It is not reasonably practicable for the search to be carried out in the presence of another member of staff.
- When an authorised member of staff conducts a search without a witness they should immediately report this to another member of staff, and ensure a written record of the search is kept.
- If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the Principal, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil.
- During this time the pupil will be supervised and kept away from other pupils.
- A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed. • An appropriate location for the search will be found. Where possible, this will be away from other pupils.
- The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. I will ask you to turn out your pockets and remove your scarf
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil's co-operation If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.
- If they still refuse to co-operate, the member of staff will contact the Principal to try and determine why the pupil is refusing to comply.
- The authorised member of staff will then decide whether to use reasonable force to search the pupil.
- This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or from causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited

items but not to search for items that are only identified in the school rules. The authorised member of staff may use a metal detector to assist with the search. An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desks or lockers.

Outer clothing includes:

Any item of clothing that is not worn immediately over a garment that is being worn wholly next to the skin or being worn as underwear (e.g. a jumper or jacket being worn over a t-shirt) Hats, scarves, gloves, shoes, boots Searching pupils' possessions

• Possessions means any items that the pupil has or appears to have control of, including:

Desks

• Lockers

• Bags

• A pupil's possessions can be searched for any item if the pupil agrees to the search.

• If the pupil does not agree to the search, staff can still carry out a search for prohibited items and items identified in the school rules.

• An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

• If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff. The staff member who carried out the search should inform the DSL without delay.

Informing parents:

Parents will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents as soon as is reasonably practicable:

Support after a search:

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search). If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches:

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

List of prohibited items:

Stolen items

Illegal drugs

Knives/weapons

Alcohol
Tobacco
Vapes
Cigarette papers
Fireworks
Pornographic
images

Social Networking Sites or Apps (including sites/apps such as Instagram, Tik Tok, House Party, Facebook and Twitter):

(Please see our Online Safety policy for acceptable pupil use of social media sites.)

Staff, pupils and parents should not use social networking sites to slander the school or to air their concerns. The school should be made aware of any concerns you may have so that they can be addressed and dealt with in the spirit of cooperation and trust.

Any such incidents or slandering will be reported to and dealt with by the school's Academy Committee and legal action may follow.

The Power to Sanction beyond the School Gate:

The school has the power to sanction beyond the school gates in response to all non-criminal unacceptable behaviour and bullying which occurs off the school premises and is witnessed by a member of staff or reported to the school (this includes online behaviour).

Where there are incidences outside of school, parents/carers and others may become involved. The school will always deal with the child's behaviour and not disputes of any sort between parents/carers or others. The same rule applies to when there are issues at school. Any difficulties parents/carers or others have with one another is not the responsibility of the adults involved and help for resolution for any such issue may need you to seek help from the police.

The school may sanction any child for bad behaviour when:

- Taking part in any school-organised or school-related activity.
- Travelling to or from school.
- Wearing school uniform.
- Children are in some other way identifiable as a pupil at the school.
- It involves an incident with another pupil at the school.

The school may also sanction for misbehaviour at any time, whether or not the above conditions apply, that:

- Could have repercussions for the orderly running of the school.
- Poses a threat to another pupil or member of the public

- Could adversely affect the reputation of the school.

Disciplinary action includes the right to use sanctions (as outlined in this policy) including the exclusion of pupils (see 'Exclusions' policy.)

- If the behaviour is criminal or poses a serious threat to a member of the public, the police will be informed.
- School allow Year 6 pupils (with the consent of their parents) to travel to and from school unsupervised by an adult with a mobile phone. Disciplinary action might include the removal of an independence pass and the expectation that the child will be delivered and collected from school by a responsible adult.

Use of Reasonable Force

All school staff have a legal power to use reasonable force.

What is reasonable force?

This covers the broad range of actions that involve a degree of physical contact with pupils.

Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.

- 'Reasonable in the circumstances' means using no more force than is needed.
- 'Control' means either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of a classroom.
- 'Restraint' means to hold back physically or to bring a pupil under control. It is typically used in more extreme circumstances, for example when two pupils are fighting and refuse to separate without physical intervention.

A 'no contact' policy is not appropriate as staff need to be able to fully support and protect pupils in their care. School staff should always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the pupil. Where there is no other option but to restrain as a last resort, there are MAPA (Management of Actual or Potential Aggression) trained staff in school to do so.

Examples of when can reasonable force be used

- To prevent pupils from hurting themselves or others, from damaging property, or from causing disorder.
- To remove disruptive children from the classroom where they have refused to follow an instruction to do so.
- To prevent a pupil behaving in a way that disrupts a school event, trip or visit.
- To prevent a pupil leaving the classroom or an area where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others

- Prevent a pupil from attacking a member of staff or another pupil, or a fight in the playground.

Our school will not use force as a punishment under any circumstances.

The decision whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.

As a school we will always speak to parents about serious incidents involving the use of force and these incidents will be recorded.

There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary. Examples of this include:

- Holding the hand of the child at the front/back of the line when going to assembly / on a trip.
- When comforting a distressed pupil.
- When a pupil is being congratulated or praised.
- To demonstrate how to use a musical instrument.
- To demonstrate exercises or techniques during PE lessons or sports coaching.
- To give first aid.

Special Educational Needs and Disabilities

When a child is on the Special Educational Needs register for SEMH (Social Emotional Mental Health needs) procedures for dealing with that child may differ to that used for other children. An alternative procedure will be formed in agreement with the child, their parents and the relevant school staff.

Staff are trained in the use of de-escalation strategies, so this will be applied in any relevant situation. The procedure will be clearly explained to everyone who has contact with the child. This will include peers in their cohort, to enable them to support the individuals in need and treat them with the dignity and respect they deserve.

Safe behaviour in relation to illness

Recognition of effects of the pandemic that began in 2019 may also be taken into consideration when dealing with issues that arise in relation to it.

Allegations regarding staff / volunteers working in or on behalf of the school

Where an allegation is made against any person working in or on behalf of the school that he or she has:

- a. Behaved in a way that has harmed a child or may have harmed a child
- b. Possibly committed a criminal offence against or related to a child or
- c. Has behaved towards a child or children in a way that indicates s/he is unsuitable to work with children.

We will always follow the guidance and procedures set out by Sandwell's Safeguarding

Children's Board. Detailed records will be made to include decisions, actions taken, and reasons for these. All records will be retained securely by the Principal/Head Teacher in a locked filing cabinet. In the event that an allegation is made against the Head Teacher the matter will be reported to the Chair of the Governing Body who will proceed as the Head Teacher.

Whilst we acknowledge such allegations (as all others) may be false, malicious or misplaced, we also acknowledge they may be founded. It is, therefore, essential that all allegations are investigated properly and in line with agreed procedures.

Consequences for pupils who make false allegations about staff

False allegations will be considered to evaluate whether there was any malicious intent and the behaviour policy used to address malicious allegations. This may warrant an exclusion. A false allegation that did not have malicious intent will be dealt with through pastoral procedures and support, including working with parents.
